Aflac for Plumbers and Pipefitters Local 447

The reality is that health insurance isn't designed to cover everything, which can leave you with unexpected medical bills. That's why there's Aflac. We can help with the expenses that health insurance doesn't cover.

Group Accident Insurance

Group Accident insurance can help with unexpected expenses associated with an accidental injury, so you can focus on getting better.

Group Hospital Indemnity Insurance

Health insurance isn't meant to cover all expenses associated with hospitalization – like deductibles and copays. Group Hospital Indemnity insurance can help minimize those out-of-pocket costs so you can focus on recovery.

Group Critical Illness Insurance

Group Critical Illness insurance helps pay the expected and unexpected expenses that arise from diagnosis of a covered critical illness.
